Esteemed Readers,

Greetings!

In the pages of this Gazette, we unfold a grand tapestry, illustrating the myriad ways we have ardently embraced knowledge in the preceding months. From the inception of our inaugural school in 1994, this Gazette stands as a testament to our visionary odyssey. The transformation of that vision into a thriving community of avid learners and devoted educators fills me with profound gratification. Our commitment to unparalleled facilities and infrastructural eminence cements our status among the nation's premier educational institutions. Our goal is to harmonize cutting-edge infrastructure with a globally recognized curriculum, positioning the GD Goenka Group of Educational Institutions as a paragon of quality and innovation in education. It is with immense delight that I witness the group ascend to new pinnacles, etching its distinctive mark on the expansive canvas of Indian education. My heartfelt congratulations to all affiliated with this group on this monumental success story.

Greetings Readers!!

Through the esteemed GD Goenka Group of educational institutions, particularly its schools, we have dedicated ourselves to providing ambitious young minds in contemporary India with exceptional educational amenities that transcend the boundaries of traditional classrooms. I firmly believe that the Goenkan legacy stands as a vanguard in the realm of education, establishing unprecedented benchmarks in the quality of education and facilities provided by Indian schools. We take pride in leading the establishment of an enduring tradition of accessible, high-quality education for the common man. I seize this opportunity to express my heartfelt gratitude to the parents who have bestowed unwavering trust in us, playing an integral role in the development of this institution. Envisioned as a secure and nurturing sanctuary for reinventing education, fostering creative thinking, and nurturing a generation of change agents, it brings me immense joy to witness the realization of our vision. I extend my sincerest wishes for your continued success in the future endeavours that lie ahead.

Greetings!

With unswerving dedication and enduring commitment, the GD Goenka Group has carved out a distinguished niche within the industry. In an exceptionally brief period, the group has established itself as a leading entity in exceptional education, both domestically and internationally. Since our founding educational institution in 1994, we have expanded into a vast network of schools, including Montessori La Petite, Toddler House, K12 schools, and a UGC recognized university. Under the aegis of the GD Goenka Group, our globally esteemed university attracts students from around 25 countries. This institution houses schools across major disciplines and Centers of Excellence in various fields, offering a comprehensive spectrum of higher education. The outstanding infrastructure at GD Goenka Education City solidifies our steadfast dedication to nurturing the comprehensive development of our students. Branching into the healthcare sector, the GD Goenka Group has swiftly expanded nationwide, providing top-notch healthcare education and opening doors for countless individuals aspiring to join the healthcare industry. We all share the responsibility of contributing to this grand endeavor. My warmest congratulations and best wishes as we collectively embark on this journey, united in our pursuit of educational excellence.

Goenkan Gazette is an initiative to highlight the achievements of the **GD Goenka Group** and forge bonds of learning, caring and sharing amongst members of the **Goenkan Community.**

Dear Goenkan Community,

As we unveil the latest chapter of our journey in this bi-annual magazine, I am thrilled to extend my greetings to the exceptional individuals who make up the Goenkan family. This edition encapsulates our shared commitment to excellence, resilience, and innovation. Amidst challenges, our community has demonstrated remarkable adaptability, reaffirming our collective strength. The stories featured here showcase the outstanding achievements of our students, pioneering research by our faculty, and the dedication of our staff. Conceived as a memoir, this Gazette captures the myriad moments of joy and learning within our school campus. It brings immense joy to witness this edition, encapsulating the period from January to June 2023, as a beautiful memento of our journey. I take great pleasure in presenting a Gazette resplendent with the unique vivacity characterizing the campus life of our esteemed educational institution. These pages reveal countless faces radiating joy, eyes gleaming with enthusiasm, and narratives vividly recounting the academic year where students and teachers reclaimed the realm of fruitful engagements within our school's hallowed precincts. I cordially invite you to explore these pages, where captivating tales and anecdotes await, encapsulating the profound journey of scholarly pursuits. Let us rejoice in the documented accomplishments and endeavours, partaking in the magnificence of our academic community.

LET'S **BOND** Together

India aspires to be an over $30 Trillion economy by 2047. In this era of knowledge economy driven by digitalisation Indian youth are the key to achieving this goal. But the major challenge is the growing digital divide and how we bridge this gap, leveraging of the multidisciplinary immersive experiential learning platform mandated by National Education Policy 2020. We are glad that GD Goenka University as a multidisciplinary university is one of the first in the country to holistically implement the NEP 2020. Thus offer students the best platform to experience the seamless linking knowledge and skill for competence building for professional endeavours as also develop intellectual and emotional capabilities by drawing insights from Indian Knowledge System for holistic personal and sustainable societal growth. I am happy to note that our student and faculty endeavours highlighted in the Goenkan Gazette showcase these outcomes.

PROF. (DR.) B. S. SATYANARAYANA

The educational odyssey of the GD Goenka Group commenced in 1994 and has since expanded its reach nationwide, emerging as a frontrunner in providing exceptional education globally, spanning from early childhood to doctoral studies. Consistently, the group has emphasized cultivating curiosity and fostering exploration within a safe and enjoyable learning environment for students. It's gratifying to note that all our schools boast cutting-edge infrastructure and facilities that enrich the educational experience for both teachers and learners. The group's aim is to uplift, motivate, and assist young minds in achieving success at every educational stage. I extend my sincere best wishes to all the schools, encouraging them to persist in their passionate endeavors toward the comprehensive development of children.

Robert Hutchins aptly noted, 'It must be remembered that the purpose of education is not to fill the minds of students with facts, it is to teach them to think, and always to think for themselves.' The revered tradition of excellence embodied by the esteemed G D Goenka schools serves as a testament to the pursuit of quality in life and the cultivation of excellence in education. Within the esteemed halls of GD Goenka, we staunchly believe that authentic education involves the holistic development of an individual, nurturing both life skills and character. Our prestigious institutions seamlessly integrate state-of-the-art infrastructure, a nurturing environment, and exemplary academic provisions, creating a distinctive educational paradigm that is all-encompassing, experiential, and deeply rooted in the spirit of inquiry.

It is my belief that if our children grow up with a strong value system then our countries and our planet will be in good hands in years to come. A conscientious comprehensive structure is our guiding light at GDG Preschools. We respect and celebrate the uniqueness of everyone associated with us. We care about our young people, ensuring that they are happy and safe and their learning is long term and relevant. Along with our strong core curriculum which continues to improve each year, we place a great deal of emphasis on student's personal development with opportunities to help enrich their academic and social experiences, taking learning beyond the classroom. As we look to the future with more than 150 preschools, GD Goenka Group seeks to meet the educational needs of a society where our children are confident speakers and good human beings. And, as technology rapidly shifts the employment landscape, we are ready to support them in their educational quest.

MS. MEENAKSHI KHETRAPAL

As Carl Jung wisely said, 'I am not what happened to me. I am what I choose to become.' As education leaders, our immense potential lies in empowering children to become critical thinkers. As Goenkan educators, we guide and influence our children's decisions by fostering a safe, inclusive learning environment that encourages growth, curiosity, and creativity. Through mentorship and positive role modeling, we profoundly impact young lives. I endorse the Goenkan Ethos: Upholding values, inspiring vision, instilling confidence, and nurturing gratitude. Every Goenkan is motivated to live harmoniously with nature, embrace inclusivity, promote mutual respect, pursue passions, support causes, utilize strengths, foster positivity, and absorb global perspectives. The Goenkan life and ethos represent a continuous journey, a direction, not just a destination.

At GD Goenka World School, our primary objective is the holistic development of our learners. Through a range of practical and innovative pedagogical techniques, coupled with engaging activities, we aim to cultivate the aptitude and acumen of every child. As a school community, we firmly believe that children thrive in their learning and growth when parents and educators collaborate in a partnership characterized by clearly defined and shared responsibilities, open lines of communication, trust, mutual respect, and a common goal: doing what is best for the student's overall development. The ethos and philosophy of GDGWS strive to nurture individuals with multi-dimensional interests, a broad worldview, the ability to think outside the box, and the drive to achieve their academic and career goals.

Our concerted efforts to immerse children in India's rich culture yield visible results. Through organized programs, they embrace our history, imbibe social values, morals, and gratitude, fostering pride in themselves and their nation. A key focus is enhancing our sports presence with dedicated coaching facilities and increased competition involvement, fostering holistic growth. Children possess the potential for sporting excellence, set to carve a niche in various arenas. Beyond the curriculum, diverse experiences via guest lectures, visits, and events widen their perspectives. GD Goenka High School remains steadfast in guiding each pupil on their journey, empowering them to achieve their aspirations and become their best selves.

Education is the most potent tool of social transformation. The right education empowers human will, widens intellect and deepens one's quest for acquisition of knowledge, aptitude and skills. Every child is bestowed with an inherent repository of potential to acquire and achieve anything that the human mind can fathom. Education unravels this magic and leads to their self-realization and holistic development. Educational institutions have this responsibility of creating right minded individuals who can be the true torchbearers and crusaders of the 21st Century. Our children are the 'Destiny Designers' of the future and we, as a society, must understand our role in shaping their personalities, developing their character and building their confidence to lead by their exemplary leadership qualities.

For nearly three decades, under the guidance of Shri A.K. Goenka, the GD Goenka Group has been a trailblazer in revolutionizing education across India. Employing an innovative approach, this group has significantly altered the educational landscape by redefining the structure, delivery, and conceptualization of both schooling and higher education. Introducing pioneering initiatives in the Indian education sector, such as the introduction of distinctive features like yellow buses, air-conditioned classrooms, an Olympic-sized indoor swimming pool, an Indoor Shooting Range, and a sprawling, sustainable 60-acre campus filled with verdant greenery. Additionally, the campus provides comprehensive residential amenities, catering to a diverse student body originating from various corners of the world. Today, GD Goenka Group stands proudly as a pioneer in forward-thinking education, poised to shape tomorrow's leaders.

Education grants us the ability to comprehend the intricacies of the world, discover our role within it, and gain insight into our place in society. It's widely acknowledged that investing in education yields the most significant dividends. The GD Goenka group made its foray into the education sector back in 1994, and across the past 29 years, it has emerged as a pioneering force in reshaping educational frameworks and expanding through franchise opportunities. We've successfully established numerous franchises nationwide, and our journey of advancement continues, leaving fresh marks on an esteemed legacy. Our alumni shine in diverse fields spanning art, culture, IT, and global industries. The group's fundamental aim is to nurture global citizens, prioritizing top-tier infrastructure and facilities to ensure the all-round development of our students. This comprehensive approach to student development has propelled our group into a globally acclaimed brand.

MR. MOHIT MEHRA

GD Goenka Healthcare

Quality healthcare education is crucial for the development and progress of any country. With a population of over 1.3 billion, it is essential to have a well-trained and skilled healthcare workforce to provide adequate and efficient healthcare services to the people. Quality healthcare education ensures that medical professionals are equipped with the necessary knowledge and skills, leading to the development of innovative solutions and advancements in the healthcare sector, ultimately benefiting the entire nation. Therefore, investing in quality healthcare education is crucial for the future of India. With this thought process, GD Goenka Healthcare, under the aegis of the GD Goenka Group, is stepping up in quality healthcare education and in a very short span across India has presence in almost 19 states with 70+ academics, offering quality healthcare education and creating opportunities for millions who wish to be part of the healthcare industry.

May these pages echo the resilient spirit and unwavering commitment to excellence embraced by Goenkans, guiding readers to discover inspiration and uphold values of perseverance and dedication. Within these pages lies a captivating narrative - a blend of our academic triumphs, insights into our university and healthcare institutions, and a testament to our determination amidst challenges. Each page brims with life, portraying a vibrant tapestry woven from diverse experiences, passionate aspirations, and remarkable achievements within our dynamic community. It stands as a vivid testament to the unyielding resilience of the human spirit in the face of challenges. With utmost warmth and sincerity, I extend my heartfelt invitation for you to immerse yourself in this extraordinary journey encapsulated within the rich tapestry of these pages, where the story of our collective pursuit of excellence unfolds in vivid detail.

Shades of India

The distinct shades of India were beautifully represented by Grade I students in a special assembly. Our Junior Goenkans performed a variety of folk dances from different states across India, brilliantly capturing the varied hues of the country through the medium of dance and music. The show was applauded and cheered by the spectators as the children dressed in their ethnic attire gave a dazzling performance. Food stalls and games added to the fun.

The World of Blue

A theatrical performance was presented in April by students of Grade VI. The Form Morning event's theme, "The World of Blue," highlighted the necessity for water conservation in present-day society. The musical creation presented numerous examples of water waste in daily life and suggested remedies for reducing the loss of this non-renewable resource. Young Goenkans in colourful costumes delivered the significant message that "every drop counts" through songs, dances and theatrical performances.

Excellence Unleashed: GD Goenka Group of Schools - Pioneering Educational Distinction Across Schools.

GD Goenka Group of Schools envisions all schools under its wing to be learning organizations where everyone is engaged in applying learning to either solve a problem or create something new. An ongoing learning process that focusses on Measurement, Improvement and Monitoring enables these organizations to continuously increase their capacity to grow, learn and achieve its vision.

To excel in an ever changing education scenario, GD Goenka Group is committed to nurture all Schools, under its aegis in all domains and provide comprehensive support. This ensures an ongoing growth path for all Schools with focus being not only on the final product, but also the process of reaching the product.

Together we strive to create a learning organization where beliefs, values and norms, which are very much a part of Goenkan mission and objectives, percolates into every aspect of learning. 'Learning to Learn', and becoming independent lifelong learners, forms the crux of the Goenkan curriculum. We consider not only our students, but also our teachers as lifelong learners. Keeping this in mind, our curriculum lays great emphasis on providing educators with a useful framework that ensures classroom delivery using the most effective practices from across the world. The learning process now emphasizes 'Competency Based Learning' with emphasis on both subject specific skills, and life skills, such that our students are ready to positively face the world beyond school.

INSPIRE, INNOVATE & IGNITE!

"The only person who is educated is the one who has learned how to learn….and change."

Carl Rogers

GD Goenka Schools believe in collaboration between Leaders, Learners and Educators. This collaborative approach fosters a culture of continuous improvement, where best practices can be shared and implemented across all schools. Our aim is to strengthen Schools by regularly assessing and monitoring each school's Operations, Academic standards and Learning Outcomes. The team does a comprehensive need analysis and guides the schools towards achieving desired standards as per the Goenkan philosophy.

This process enables us to embark upon a journey that helps our schools rise up to the challenges and requirements of the new world order and develop the inherent competencies and strengths of each and every child. Together we create a learning community that consistently empowers educators with the required support and tools that enable them become co learners with all our students. IGNITING PASSION IN EVERY CLASSROOM

'Education is not the learning of facts, but the training of the mind to think.'

Albert Einstein

The GDG Schools truly embody the truth of the above saying. We at the GDG Group have consciously laid emphasis on training the trainer, the teachers who facilitate the students learning and action, so as to create new pathways of empowered learning.

The NEP tenets which have been an integral part of the Goenkan ethos, have been duly reinforced towards our understanding of holistic education and focus on 'Competency Based Learning' versus 'Content Based Learning'.

This immersive experience empowers teachers with innovative pedagogical tools fostering a dynamic learning environment. The insights gained, not only enriches their subject expertise but also equips them to navigate the evolving landscape of assessments in line with NEP guidelines. These workshops have undoubtedly added immeasurable value to the lives of educators, enabling them to inspire and guide the next generation with renewed passion and purpose.

Investment in education is an investment in the future, and it is our effort to equip the educators to sculpt the minds and kindle the spirit of lifelong learning in our children so as to truly enable them to make a difference. It is with this in mind that we regularly organize workshops at all our schools.

This immersive experience empowers teachers with innovative pedagogical tools, fostering a dynamic learning environment. The insights gained, not only enrich their subject expertise but also equip them to navigate the evolving landscape of assessments in line with NEP guidelines. These workshops have undoubtedly added immeasurable value to the lives of educators, enabling them to inspire and guide the next generation with renewed passion and purpose.

OUR TEAM

The vision of the Goenkan team, is to foster a transformative educational landscape where every school within our network becomes a hub of innovation, excellence, and inclusivity. **Our mission is to empower educators and students by delivering comprehensive support services that go beyond conventional boundaries, ensuring each school thrives in its unique environment.** Our goal is to cultivate a dynamic learning environment that not only meets but exceeds the evolving needs of students in the 21st century. By fostering collaboration, embracing diversity, and prioritizing adaptability, our team strives to be a catalyst for positive change in education, promoting a future where every student has the opportunity to achieve their full potential.

Earth Day

The Earth Day celebration at our school was a vibrant and engaging event that brought together students, teachers, and staff to foster a deeper appreciation for our planet. The day kicked off with a collective effort during a school-wide clean-up, where participants donned gloves and enthusiastically worked together to spruce up our school grounds. Following this, a tree-planting activity took place, reinforcing the importance of environmental stewardship. Inside the school, informative exhibits adorned common areas, showcasing facts about climate change, endangered species, and sustainable practices. Art and craft projects, crafted from recycled materials, added a creative touch. A special assembly featured presentations, skits, and performances emphasizing the significance of environmental conservation. Workshops and talks by our guest speakers enriched our understanding of pressing ecological issues.

Labour Day

Labor Day was a momentous occasion in our school, a time when we come together to honour the diligence and dedication of workers. We invited guest speakers, ranging from local workers to share their experiences and insights with students.Artistic expression took centre stage through poster contests and exhibitions, allowing students to creatively depict the essence of hard work. Through recognition initiatives like appreciation walls and certificates, we ensured that the contributions of both school staff and local workers are acknowledged and celebrated. The school was adorned with thematic decorations, creating a festive atmosphere that embodied the significance of Labor Day. This collaborative effort, involving students in the planning process, made our Labor Day celebration a meaningful and memorable experience for the entire school community.

Mother's Day

Mother's Day celebrations in our school provided a heartfelt opportunity for students to express gratitude and love for their mothers. Classrooms were buzzing with creativity as children engaged in crafting personalised cards, drawings, or artwork, showcasing their appreciation for the nurturing figures in their lives. Special assemblies become platforms for students to perform songs, skits, or poetry dedicated to their mothers, creating an atmosphere of warmth and celebration. Whether through photo booths, portrait stations, or heartfelt letters and poems, the focus was on fostering a connection between students and their mothers, creating lasting memories and a sense of appreciation that extends beyond the school walls. The diverse array of activities ensured that Mother's Day in school was a meaningful and joyous occasion for both students and their cherished mothers.

Summer Camp

Summer camp in our school was a wonderful experience. The camp included various activities where yoga and morning exercise were compulsory for all. Apart from this, one Sporting and One Non-Sporting activity were allocated to all the campers which added excitement and cohesiveness to the program. Secure facilities within the school ensured the camp's needs. Safety measures such as first aid stations and emergency protocols were displayed at various places in the school premises. The camp was promoted through various channels, including hoardings, flex, and social media. On the last day of the event, many movies were screened in the school premises where students were allowed to see age-appropriate movies available on different screens. Overall, a well-planned summer camp offered a positive and enriching break to all the students from their regular academic routine.

Community Service

Our school's vision emphasises holistic development through knowledge, skills, and values. Community service is a key element fostering empathy and respect. Engaging in such activities instils social responsibility and unity. As part of our community service initiative, students distributed 'Khichdi' to the less privileged in NRI City. This experience imparted valuable lessons about the joy of sharing blessings, creating a positive impact on both students and the community.

Visit to an Old Age Home

Visiting an old age home proved to be a humbling and eye-opening experience for our senior students. This opportunity offered a glimpse into the lives of those who have aged gracefully, providing valuable insights into life's complexities and societal aspects. The residents welcomed and appreciated our students' visit, sharing their life experiences and wisdom. In return, our students were grateful for the chance to offer companionship and support. This experience served as a poignant reminder of life's fragility, emphasising the importance of treating the elderly with reverence and compassion.

Investiture Ceremony

Our school is dedicated to creating an environment where every student not only thrives but also becomes a catalyst for positive change. The Investiture Ceremony marked the induction of the newly elected student council, symbolizing the school's trust in its students. IPS Officer Mr. Jitendra Kumar, ACIMUT 2012 batch, inspired the council members during the event. Badges were conferred upon them, signifying the school's commitment to providing platforms for increased responsibility. Our goal is to impart wisdom and experiences, shaping students into responsible adults who actively contribute to a brighter future, echoing the school motto – Higher, Stronger, Brighter.

MUN | Model United Nations

Our school's Model United Nations, now in its 7th edition, continues to mould future leaders and foster global citizenship. This landmark conference welcomed over 350 delegates from diverse schools and regions, showcasing their sincerity, determination, and critical thinking. The event featured seven committees, offering delegates a platform to delve into discussions on current global issues. Under the theme 'Breaking Barriers and Building Bridges,' delegates demonstrated intellect and diplomacy in addressing pressing matters. The conference emphasised 21st-century skills like leadership, cooperation, and negotiation, crucial for character development. The success of this event propels us toward more impactful conferences, contributing to positive change.

Tycoon Odyssey

Our school held its first Flagship event of the session 2023-2024 - the Tycoon Odyssey in May 2023. It was a one day event that was conducted by the students of Grade XII. The Tycoon Odyssey event is an informative program for the students to cultivate business and life skills wherein they create business plans and promotion activities to launch and promote various products ranging from keychains, notebooks, customised diaries, mugs to portable fans and organisers. The students got a brilliant opportunity to broaden their horizons, step out of their classroom setting, learn from real-life situations and develop their entrepreneurship skills. Our students, guided by the faculty, were able to generate a generous amount, the proceeds of which were contributed towards the Community Outreach Programs.

Earth Day

Earth Day, also known as International Mother Earth Day, is observed to spread awareness about issues, including the rampant increase in pollution, global warming, and deforestation, which harm the environment and result in the destruction of the planet. Countries from all over the world come together to raise awareness about the dire need to protect our environment. On account of Earth Day we organised various colourful activities for Grades IV to X based on the theme for this year 'Invest in our Planet,' with a clear motto of 'everyone accounted for, everyone accountable.' Our students enthusiastically took part in the earth day activities organized in school.

It served as an integral part of the school event, providing a soul-purifying experience with beautiful artworks accompanied by soothing music. Parents, children, and teachers were mesmerized by the students' artistic skills, setting a benchmark for the school. The exhibition successfully celebrated the diverse talents and creativity within the school community, creating an atmosphere of appreciation for the arts.

Pink Day

The little ones at our school celebrated Pink Day with enthusiasm, recognizing pink as nature's smile symbolising love, nurture, and compassion. The creative hands of the tiny tots explored interesting ways to create the colour pink, colouring their favourite Peppa Pig puppet. The day was filled with fun activities that reinforced the concept of the colour pink while the children flaunted their beautiful pink attire, creating a vibrant and engaging learning experience.

Science Exhibition

The Goenkan Explorica and Bingo Science Exhibition at our school showcased remarkable projects by students. Explorica, for Grades III to VIII, featured diverse models related to science branches, including molecular models, space satellites, and hydroponics. Bingo, for grades I and II, presented models on human body parts, games, and food pyramids. School dignitaries explored the exhibits, engaging with students about their projects. The audience was captivated by the variety and quality of the displayed models, making the science exhibition a noteworthy event for all Goenkans.

Summer Camp

The one-week summer camp at our school provided an enriching experience for students, offering a blend of learning and fun activities. Outdoor games, sports, music, art, and educational programs were carefully curated to foster critical life skills. The inclusion of experts from various fields enhanced the learning experience for participants. The camp aimed at nurturing confidence, independence, social skills, leadership abilities, and physical fitness among the students. The engaging and enjoyable events unfolded within the school campus, providing a holistic platform for students to learn and grow during their summer break.

Teacher Tribe Workshop

The teachers are the cornerstone of our schools, leaving an indelible impact on students' growth. We believe that exceptional teachers guide children to learn crucial life lessons, communicate effectively, and gain confidence. To achieve this optimally, teachers must stay updated, mastering subject knowledge and understanding diverse learners. Wearing multiple hats as tutors, coaches, mentors, counsellors, and friends, they play dynamic roles in shaping not only academic but also mindset changes. Research underscores that an inspiring teacher is pivotal in student achievement. The annual theme, "360° Development – Mind, Body, and Soul," guided over 35 sessions, ensuring the teachers are well-equipped with tools and urban methodologies for holistic education.

Baisakhi Bash

India is a country known for its varied culture and heritage. Keeping this in view, we marked the beautiful harvest festival of Baisakhi where our tiny tots were told about the origin and importance of this festival. They came dressed up in Punjabi attire, and together with their teachers matched steps to the folklores of Baisakhi.

Show and Tell

Show and tell is a fun and interactive activity encouraging children to share their interests with their peer group. It is a great way to develop listening and speaking skills. Little Goenkans started the show and tell activity by introducing themselves and spoke a few lines about their favourite fruit. The aim of this activity was to increase the child's confidence and help children to use descriptive words and full sentences.

Red Day

The colour Red signifies strength, power, and determination. Red is also a colour of attraction. The school celebrated Red Colour Day under the theme "Colours". It was a beautiful day and all the children looked cute in their red-coloured dresses. Our class teachers introduced the colour red through different objects and artworks. The 'Red Day' celebration was a wonderful learning activity which helped children to sort and classify objects based on colours thereby reinforcing cognitive skills. All our little Goenkans and teachers participated in the red day activity with enthusiasm and enjoyed it thoroughly.

Mother's Day

Moms are the people who know us the best and love us the most. Our school celebrated Mother's Day with much zest and gusto. To celebrate the beautiful bond of affection and love, the students were involved in various activities, moral stories, creating beautiful cards, etc. It was an enjoyable and memorable day for each child which left an indubitable mark on their innocent hearts.

Pool Party

To beat the heat and cool off the little Goenkans, we had organised a pool bash for tiny tots. The pool bash was a day full of joy and excitement for the young ones. The activity was fun, as also a team building activity. The students loved the activities and enjoyed getting clicked too. The motive behind organising the party was to develop their motor skills, improve their eye-hand coordination and develop their gross motor skills through running, dodging, hopping, and sprinkling.

Pet Day

Pet day is a day when we remember how important pets are in our lives. They can help us feel better when we are sad or lonely, they can make us laugh when we are feeling down, and they can even help us learn new things. Having a pet can also help children develop social and emotional skills.

Our school celebrated the day to inculcate some of these lessons in the young impressionable minds of our little ones. Another objective of observing the day was to bring awareness and create a sense of responsibility in the minds of our tiny tots on how we need to love and care for other living beings.

No Fire Cooking

Cooking with children is an excellent educational activity where they learn many skills like measuring the things in the right amount, names of different ingredients used etc which actually engages all their senses and also helps them to work in a group. Children made Monaco Biscuit Pizza with different things like cheese, tomatoes , onions , pizza sauce, monaco biscuits and served them to teachers and their friends. Each and every child was given a chance to make his/her own personal biscuit pizza. They enjoyed working with the colourful ingredients and further enhanced their vocabulary. The most important takeaway of the event was that the children realised the effort made by their parents in providing them with food.

Show and Tell

In an engaging activity our young scholars engaged in a show and tell performance with focus on the spring season. Each student had brought something that represented the vibrant and refreshing aspects of this season. The students stood up and shared their chosen items with the class and talked about it. There were colourful drawings of blooming flowers and butterflies, along with potted plants that they had nurtured at home. As the activity concluded, the classroom was filled with a sense of wonder and appreciation for the magical transformation that spring brings to the world around us. The show and tell activity not only provided a platform for creative expression but also deepened the children's understanding of the wonders of nature and the changing seasons. This activity was a fun learning experience for our little Goenkans.

Rhyme Recitation

Rhymes are an integral part of the childhood of every person. The thoughts and feelings that go into a rhyme make it even more joyful. To boost up the recitation skills of our little Goenkans a Rhyme Recitation Presentation was held at the school. The main purpose behind conducting such competitions is to build self confidence, develop oratory skills and self expression. The children chose a variety of topics for their recitation like nature, trees, flowers, happiness, water etc.

The children enjoyed the beauty of expression, action, thoughts, feelings, rhyme, rhythm and the music of words while reciting in their marvellous attire and props. With this rhyme presentation children were able to improve their recalling and memorization skills while also enhancing their language learning. The magic of their words and innocent gestures left everybody spellbound.

Storytelling Week

Reading books, sharing stories, talking and singing every day helps your child's development in many ways. Our kindergarten students narrated stories in English and Hindi language using various props, with an aim of enhancing their social, communication, emotional and oratory skills. Each story that was narrated had a moral. The kids kept us all hooked to the story with their endearing facial expressions, voice modulation and creative props. Their oratory and presentation skills were quite brilliant. The event was also a recognition of the collaborative work between parents and teachers that leads to excellence in schools.

Visit to Peru

Striving for innovative ways to acquaint our young ones with global cultures, an elaborate pretend play set up was made wherein the school garden was transformed into the country Peru. An airport was also set up in the garden to give children the real experience and learning of travelling. The children were taken through the whole process of travelling internationally starting with the collection of visa, baggage checking, immigration processes ending with the boarding of the flight. The aeroplane set-up in the school garden was the real thrill and fun for the kids. The set-up of different stations including a zoo, the jungles of Peru , food, attire and artefacts of Peru were eye-catching for them. The curiosity and joy of experiencing something different was visible on the faces of the kids.

Visitor Day Gardener

To plant a garden is to believe in tomorrow. Keeping this in mind our school organised a visitor day' inviting a gardener as a visitor. The children learnt the importance of protecting and loving mother nature. The children participated by watering the existing plants in the school garden. The gardener showed different types of saplings and seeds that are used for planting to the kids. The activities executed made a desired impact on the young minds of the children.

Summer Convivial

The Summer Convivial event was a joyous celebration of the summer season, where students enthusiastically participated in various sensorial, montessori, and fun summer-based activities. The event was filled with laughter and excitement as the young participants engaged in activities like ice painting, balloon painting, thread painting, making visors, drying clothes, crafting popsicles, and scooping a delightful array of ice cream flavours onto cones. The day proved to be a perfect blend of fun and learning. The participants thoroughly enjoyed exploring their creativity and imagination through the diverse activities on offer. The Summer Convivial event served as a memorable and engaging platform for students to make cherished summer memories and foster their love for the season.

Expressions on Face

Our school practises a range of additional enrichment activities to support our students' holistic development. These activities encompass various aspects, including left and right brain exercises to stimulate creativity and logical thinking. Moreover, sensorial exercises are incorporated to enhance their sensory perception and cognitive abilities. To foster hand-eye coordination, we have implemented targeted exercises. To make learning enjoyable, we have integrated engaging activities that students eagerly anticipate. One such initiative includes the "Expressions on Face" activity, where students explore different emotions and learn to read a face to understand different moods. Through these diverse and fun-filled activities, we aspire to create a stimulating learning environment that nurtures well-rounded individuals. Our commitment to fostering growth and curiosity remains unwavering.

Graduation Day

Our school celebrated a momentous Graduation Day for our pre-primary kids, marking the end of one chapter and the beginning of another. The air was filled with excitement and pride as parents, teachers, and little graduates gathered in our school. The children proudly wore miniature caps and gowns, looking adorable as they prepared to receive their certificates. Teachers shared heartfelt speeches, and the kids performed sweet songs that brought tears of joy to everyone's eyes. The venue was beautifully adorned with balloons, banners, and decorations, creating a festive ambiance. Parents snapped countless photos to capture this memorable day, freezing moments in time. It was a day filled with nostalgia and pride as we celebrated these young graduates, confident that they are now ready for the adventures that lie ahead.

Visit to a Fire Station

In the month of February, we had an exciting opportunity to visit a local fire station in Kirti Nagar. As we walked through the large red doors, the strong scent of polished metal and faint traces of burnt wood filled the air. The firefighters greeted us warmly, their uniforms adorned with badges and patches that told stories of their bravery. They led us on a tour, showcasing the towering fire trucks with their blaring sirens and rows of neatly organised equipment. After the demonstration, we gathered in the station's communal area where the firefighters' shared stories of their experiences, emphasising the importance of quick thinking and staying calm under pressure. They even allowed us to try on their helmets and jackets, which felt surprisingly heavy and reassuring. The event left a deep sense of respect for these dedicated individuals who put their lives on the line to keep the community safe.

Holistic Learning

We believe that co-curricular activities play a pivotal role in the holistic development of students. The activities were conducted to help in developing well-rounded, socially skilled and healthier students. Our school, recognizing the importance of co-curricular activities in the holistic development of the child, organizes and engages children in various hands-on activities, which include participating in performing integrated activities and festive celebrations like- Baisakhi, Holi, Republic Day, Basant Panchami. Children are also engaged in simple scientific stem activities like magic glove experiment, rain in the jar. Show and Tell activities are regularly integrated with the curriculum to enhance the oratory skills of our young Goenkans.

World of Science

Science experiments foster a child's curiosity to explore and learn by themselves. A series of simple science experiments were organized in order to stimulate the curiosity and knowledge of our young Goenkans. In order to explore the sense of taste an activity was organized where children dissolved sugar,salt and lemon in water and explored their taste. The properties of water were explored with a fun colour experiment where children mixed different poster colours in water to see the water absorbing the colour added to it. The properties of air were explored with a simple balloon experiment and in a most fascinating magic glove experiment children witnessed the glove blowing itself after inserting it in a tub of water with the help of a hollow glass.

Baisakhi Bliss

Our school was abuzz with the joyful celebrations of Baisakhi. Students from all classes engaged in carefully crafted activities that immersed them in the vibrant harvest festival. Dressed in colourful Punjabi attire, they experienced the true essence of Baisakhi, complete with a chakki (flour mill) and a chulha (stove) symbolizing the journey from grain to roti (flatbread). Our teachers guided them in crafting corn-themed headgear and attempting mini roti making, providing hands-on experiences related to the festival. Additionally, the young ones recited Baisakhi rhymes, adding a creative and joyful element to the celebrations. These purposeful engagements aimed to instil cultural significance, nurturing curiosity, creativity, and an appreciation for the diverse traditions that enrich our heritage. Beyond being a celebration, the day became a gateway for our students to cherish our rich culture and understand the tapestry of traditions that define our society.

Earth Day

The school organised a special event, the Clean Earth Initiative bringing together teachers, students, and staff in vibrant green and blue attire. This initiative aimed to raise awareness about environmental conservation and inspire a sense of responsibility toward our planet. The Toddler House was transformed into a representation of Mother Earth, creating a deep connection to nature through stories and engaging leaf-based crafts. Students learned about the importance of caring for the environment and nurturing a sustainable relationship with the Earth. During the event, participants made pledges against using single-use plastics, expressed their commitment to embracing plant life, and emphasised the importance of cleanliness. These pledges reflected a collective dedication to eco-responsibility and showed a shared determination to protect our planet. The Clean Earth Initiative not only raised awareness but also instilled an infectious enthusiasm among students, highlighting their strong desire to be stewards of the Earth and contribute to its preservation.

Graduation Day

Kindergarten Graduation Day, a momentous occasion for young scholars, was celebrated with great fervour and joy in our school. This milestone event was an opportunity to honour the growth and achievements of our young learners. The pride was palpable as the students confidently walked across the stage, receiving their well-deserved preschool graduation certificates and special awards for their exemplary performances throughout the academic year. This memorable day not only marked an important achievement for the children but also brought immense pride and joy to the hearts of the proud parents.

Baisakhi

Baisakhi is a spring harvest festival for Sikhs and Hindus. Keeping up with the tradition of celebrating all the festivals with great fervour and gaiety and to acquaint the students with the rich culture and heritage of India, Baisakhi celebration was held in our school with great zeal. Children engaged in creating beautiful kites on Baisakhi. An online presentation of "transition of food' from grain to chapatti was shown and explained to the children by the teachers. The significance of Baisakhi was also explained to the students through flashcards. Our little Goenkans enjoyed colouring a 'Dhol' and they decorated it in their own creative way. A field trip was also organised. It was a day full of fun and learning.

Baisakhi

Our little Goenkans embraced the spirit of Baisakhi with tremendous enthusiasm in a remarkable celebration. The classrooms buzzed with engaging activities designed to introduce the students to this vibrant harvest festival. The little ones danced joyfully to the rhythmic beats of the dhol. In a unique craft activity, the children made samples of wheat, symbolising the bountiful harvest. Aloo puri, kheer, and lassi delighted their taste buds. The school transformed into a vivid depiction of Punjab's culture, featuring a Gurudwara in the auditorium. Parents, students, and staff, adorned in Punjabi attire, joined in the lively celebration, dancing to Punjabi folk tunes. It was a colourful and unforgettable event.

Yellow Day

With an objective to recapitulate and reinforce the effects of yellow colour, our school celebrated Yellow day with special reference to the king of fruits, the yellow juicy mango. The children came dressed in different hues and tints of yellow. They also brought yellow objects from home. A stall named 'Aam Rasila ' was set up in honour of our national fruit ' Mango'. A set-up was created using a Mango tree, yellow objects, sunflower rings and a selfie point. Children made different crafts of yellow colour and took that craft back home. The whole setup was displayed at the reception during departure time for the parents to capture memories with their respective wards.

Mother's Day

Our school celebrated Mother's Day with a special celebration. The proud mothers of our little Goenkans were invited to the school to be a part of the celebration. The event started with a welcome speech by the principal. The day unfolded with a plethora of activities, including dance performances, games like musical chairs, and the intriguing instruction game. Mothers even took the stage for an enjoyable ramp walk. The little ones dedicated special performances, presenting handcrafted cards as tokens of their love and gratitude to their mothers. Children and mothers joined in a heartwarming display of ramp walks, songs, and dances. The day was a true celebration of the boundless love of mothers.

Beach Party

Our school organized a lively Beach Party for our little Goenkans. A beach set up was created which saw little Goenkans come adorned in adorable beach attire—flip-flops, shorts, beach hats, and sunglasses—all set for a day of beachside fun. The event was packed with engaging activities, including water dips, sand play, and water games, thoroughly enjoyed by all. The day commenced with the children joyfully diving into the water pool, followed by lively beachside dancing with their friends to catchy beach tunes. The setup recreated a beach ambience, featuring beach objects and splash pools, evoking the feeling of a seashore. To complement the day's festivities, delicious treats like bread pizza and French fries were served to the students.

Farm Visit

The children of our school were taken on a farm visit for a day of learning along with fun. The children were engaged in petting activities at the farm and got to closely observe the animals. They were fascinated by the goat's long ears and touched it gently. They also saw milch cattle being milked. The children fed leaves to the lamb and the calf. The day was truly one of interactive learning.

Baisakhi

On the occasion of Baisakhi, our school organized a roleplay based on the festival so that children could truly imbibe the spirit of the festival and understand the reason behind the celebration. The day began with a roleplay of the hard work that a farmer puts in to obtain a hearty harvest. The students joined the roleplay collecting golden wheat sheaves and dancing around it on the beats of a Punjabi folk song. The grains of wheat were plucked,pounded and kneaded into a dough with students eagerly waiting to roll out a chapati. The students also pasted quilled paper wheat grains on a printed wheat stem. Each child took a real wheat stem home- a gift from the farmer to the child.

Earth Day

Our school celebrated Earth Day with an engaging recycling activity using waste paper. Waste paper was soaked, blended and pressed into the recycled paper mould using a deckle and left out to dry in the sun by the students. They created their first handmade recycled paper. We found the students totally engaged in making tiles out of clay and decorating it with mirrors, buttons etc. A roleplay was done on how to reduce and reuse the waste. Some of the activities included transforming a used bottle to a vase, a discarded sock to a puppet etc. Thus, concluding a very special and nature friendly Earth Day. The event truly engaged children in the appreciation, conservation and recycling of the gifts of mother Earth to us.

International Family Day

Our school observed International Family Day, as a platform to involve children in understanding the true value and meaning of a family. The circle time for the day centred on what respect, love and care is. Some talked about grandparents, some about their siblings, pets, and somebody even wanted to include his Guruji in his circle of family. The concept of a family was taught through family finger puppets, a family crown with all members together on a crown,a circle of family members made with wooden spoons. Some children took family members wrapped around their fingers, others carried them on the crown and a few carried the circle of family members home.

Earth Day

Earth Day Celebrations serve as a reminder of the individual's role in preserving our planet. Uniting on Earth Day and sustaining efforts year-round can make a positive impact on the environment, fostering a sustainable future. Our young Goenkans celebrated by creating handprint posters on chart paper, guided by their teachers. These little eco-warriors not only learned but also received takeaways, enriching their understanding of environmental conservation. The celebration emphasized the importance of education, awareness, and collective action in safeguarding Earth for future generations.

Mother's Day

Mother's Day is not simply an occasion for gift-giving; it's a tribute to the remarkable women who have cared for us with unwavering love, guidance, and support. By expressing our gratitude, demonstrating affection through gestures, spending quality time, and celebrating all the maternal figures in our lives, we acknowledge the immeasurable influence they have had on us. Our young Goenkans enthusiastically celebrated Mother's Day. Under the guidance of their teachers, they participated in creative activities and crafted photo frames for their mothers, expressing their love and appreciation.

Exciting Beginnings

The beginning of the school year for the new session was nothing short of a celebration as our classrooms buzzed with anticipation.A number of activities were planned for the day. Rhymes filled the air, blending giggles with learning, as we sang our way into the day. Hand painting sessions transformed white canvases into vibrant reflections of young imagination. The fusion of laughter, colours, and shared experiences painted a promising beginning, setting the stage for a year of growth, exploration, and joyful learning.

Mango Day

Mango Day at our school was a vibrant burst of tropical delight. The air was filled with anticipation as children gathered to celebrate this sweet and juicy fruit. Excitement bubbled over as we explored the world of mangoes through games, crafts, and storytelling. The classrooms were transformed into a sunny orchard, and the aroma of freshly sliced mangoes wafted through the air. Little hands eagerly embraced the messy joy of mango art, creating a colourful masterpieces. This sensory journey was a testament to the power of experiential learning, leaving us all with a deeper appreciation for nature's treasures.

Fruit Day

Fruit Day at our school, painted a vibrant tapestry of tastes and textures. The classrooms brimmed with anticipation as young explorers encountered a kaleidoscope of fruits – from the exotic dragon fruit to the familiar apple and banana. Laughter and discovery intertwined as each fruit took centre stage, revealing its secrets through interactive games and sensory experiences. Tangy oranges, juicy watermelons, and succulent grapes ignited their senses, while the tropical sweetness of mango and the unique allure of kiwi and pomegranate added to the feast. Fruit Day became a symphony of flavours, fostering healthy habits and a lifelong zest for diverse learning.

Summer Camp

The summer camp in the school was an unforgettable journey of fun and learning. On the first day, we embraced the tranquillity of yoga and the power of martial arts, discovering our inner strength and balance. Day two brought out our creative sides as we delved into salt and sponge painting, turning plain canvases into vibrant artworks letting our imaginations run wild. The pinnacle of excitement arrived on day three with a pool party and a summer carnival. We splashed and played, and the carnival was a riot of colours, rides, and laughter. This summer camp was a magical journey of growth and exploration, leaving me with cherished memories and new skills to carry forward.

Earth Day

In a bid to raise awareness and sensitise our children to become champions of environmental conservation, our school organised an 'Earth Day Celebration.' We began with a special assembly where we discussed the significance of Earth and shared measures to protect our planet. The children received handouts highlighting the importance of our planet and steps to maintain a clean and green environment. Our teachers presented informative skits that emphasised the importance of Mother Earth. It was truly enlightening to see our young crusaders delivering powerful messages on saving the environment and Earth through creative group activities, instilling a sense of responsibility for the planet's well-being.

Fruit Week

With the goal of promoting good health, our school celebrated Fruit Week. The event aimed to educate children about the significance of including fresh fruits in their daily diet. Our little ones, full of excitement and energy, expressed their favourite fruits through charts, sang fruit rhymes with enthusiasm, and relished moments of joy with their friends and teachers. The children were introduced to a variety of fruits, including those with many seeds, one seed, and no seeds, enhancing their knowledge of different fruits and their nutritional benefits. It was a fun and educational experience that encouraged healthy eating habits.

Mother's Day

Our young, enthusiastic Goenkans celebrated Mother's Day with heartfelt activities and memorable performances to honour and show love for their mothers. Our tiny tots presented a touching dance performance to express gratitude for their moms' unconditional love. Additionally, all the teachers prepared a surprise dance for the mothers. Witnessing the super excited moms joining in with dynamic and energetic dance steps was a joy. Mothers took home tokens of love crafted by their children, creating an atmosphere filled with heartwarming feelings of love, gratitude, and appreciation. It was a beautiful celebration of the love and respect for the wonderful mothers.

Hygiene and Cleanliness Week

Hygiene involves habits that enhance cleanliness and promote good health, like regular handwashing, maintaining facial cleanliness, and bathing with soap and water. With this aim in mind, our school celebrated Hygiene and Cleanliness Week to educate children about the vital role of hygiene in safeguarding health and preventing infectious diseases. Emphasizing that good personal hygiene not only protects oneself but also others, we organized a special assembly where we discussed the significance of self-hygiene and cleanliness. Children received informative handouts to reinforce the importance of hygiene and cleanliness in daily life. It was a valuable awareness initiative.

Student Advanced Learning Program

The Advanced Learning Program is designed every year to meet the needs of the students across all academies with respect to their extracurricular education and growth, beyond the usual methods of instruction. The students' efficiency and effectiveness as learners has increased thanks to the advanced learning curriculum recently offered to academy students. These additional methodologies are especially crucial in assisting students in avoiding their weak areas and putting their strengths forward.

Train The Trainer Sessions

Train the trainer initiatives are training programs that equip experienced trainers with the skills necessary to deliver content such as new technologies or a fresh sales program. Research indicates that the shelf life for skills may be five years or less. We are in a cycle of near constant upskilling and reskilling of the workforce. The Train the trainer program equips trainers with the skills they need to provide the best learning experience to the students. The trainers keep their knowledge and skills updated through these sessions to stay relevant and ensure their work creates desired impact.

First Aid Training Session

The academy organised a Basic First Aid Training Session for students prioritising the well-being of both individuals and the community. Recognizing the importance of possessing basic first aid skills, this initiative seeks to empower students with fundamental knowledge in first aid. The goal is to minimise the potential negative impact of being a bystander in emergency scenarios, whether at home, in the office, or in public spaces. This training equips students with the tools and understanding needed to respond effectively and make a significant difference in critical situations.

Editorial Team

We would like to thank all our contributors for their collective effort in bringing together snippets of their achievements and helping us accumulate them into the Goenkan Gazette. We sincerely hope that you all enjoyed reading it, as much as we enjoyed collaboratively creating it. We look forward to greater contribution on various events from all of you in the future editions.
